

# STATE OF NEW JERSEY DEPARTMENT OF COMMUNITY AFFAIRS COUNCIL ON AFFORDABLE HOUSING PETITION APPLICATION

This application is a guideline for creating a Housing Element and Fair Share Plan. A completed version of this application must be submitted as part of your petition for substantive certification to COAH. This application will be used by COAH staff to expedite review of your petition. This application can serve as your municipality's Fair Share Plan. A brief narrative component of the Fair Share Plan should be included with this application and can serve primarily to supplement the information included in the application form. Additionally, the narrative section of the Fair Share plan would include a description of any waivers being requested.

This form reflects COAH's newly adopted procedural and substantive rules and the amendments to those rules adopted on September 22, 2008. Footnotes and links to some helpful data sources may be found at the end of each section. To use this document electronically, use the TAB KEY to navigate from field to field. Enter data or use the Right Mouse Button to check boxes.

#### FAIR SHARE PLAN (N.J.A.C. 5:97-3)

Please provide a summary of the Fair Share Plan by filling out all requested information. Enter N/A where the information requested does not apply to the municipality. A fully completed application may serve as the actual Fair Share Plan. A brief narrative should be attached to supplement the information included in the application form. Additionally, the narrative section of the Fair Share plan would fully describe, under a separate heading, any waivers that are being requested.

#### **Determining the 1987-2018 Fair Share Obligation**

The following tables will assist you in determining your overall 1987-2018 fair share obligation. For each cycle of the affordable housing need and rehabilitation share, please use the "need" column to enter the number of units addressed in the municipal petition. Where the municipality has received and/or is proposing any adjustments to its rehabilitation share, prior round and/or growth share obligation, use the footnotes providing rule references and follow the procedures for determining the municipal need and/or for calculating any adjustments applicable to the municipality. Enter the affordable housing need as provided by COAH or that results from the adjustment under the "Need" column.

<sup>&</sup>lt;sup>1</sup> RDP = Adjusted Prior Round Obligation minus Vacant Land Adjustment

#### **Determining the Growth Share Obligation**

All municipalities must complete the "COAH projections" table below. Only municipalities that anticipate higher projections or that are seeking a growth projection adjustment based on a demonstration that insufficient land capacity exists to accommodate COAH projections need complete the corresponding additional table. COAH has published three workbooks in Excel format to assist with preparing this analysis. All municipalities must complete Workbook A. Workbook B must be used when the municipality anticipates that its growth through 2018 is likely to exceed the growth through 2018 that has been projected by COAH and the municipality wants to plan accordingly. Workbook C must be used by municipalities seeking a downward adjustment to the COAH-generated growth projections based on an analysis of municipal land capacity. Workbooks may be found at the following web location:

#### Summary of Built and Proposed Affordable Housing

Provide the information requested regarding the proposed program(s), project(s) and/or unit(s) in the Fair Share Plan. Use a separate line to specify any bonus associated with any program, project and/or unit in the Plan. As part of completeness review, all monitoring forms must be up-to-date (i.e. 2007 monitoring must have been submitted previously or included with this application) and all proposed options for addressing the affordable housing obligation must be accompanied by the applicable checklist(s) (found as appendices to this application). Enter whether a project is proposed or completed and attach the appropriate form or checklist for each mechanism as appendices to the plan. Please note that bonuses requested for the prior round must have been occupied after December 15, 1986 and after June 6, 1999 for the third round.

Please make sure that a corresponding mechanism checklist is submitted for each mechanism being employed to achieve compliance. Separate checklists for each mechanism are available on the COAH website at /www.nj.gov/dca/coah/planningtools/checklists.shtml.
